Customer Reviews

There is no story or plot. It is a reference to books written by the author with a brief synopsis of each book.

This really helps keep my ordering in sequence. Really helps not jumping all around with the story lines.

Have read several of his novels . Don't start reading before going to bed . You will be up all night .

This is a necessary guide to the Courtney series.

Have read the Egyptain and Courtney series year's ago in the 19 70'S and tried to rembler the order that they go. This book helps to know there orders.

Did what I wanted it to do.

A good reference book that is very helpful.

Reading the novels in the right order increased one's enjoyment since the flow of action was continuous and made greater sense than if one read the narratives hap hazardous.
