A Discourse On Method And Meditations On First Philosophy

Synopsis

Descartes is considered the father of modern philosophy, and these two works capture the essence of his thinking. In *A Discourse on Method*, he explores the moral implications of his method, the reasonings by which he deduces that God exists and that man has a soul, and the implications of his philosophy on science. *A Discourse on Method* includes Descartes' most famous and quotable statement: "I think; therefore, I am." *Meditations on First Philosophy* is one of the foundational works in philosophy. Both books are must reading for all who wish to have a solid grounding in philosophy and the development of Western thought. This edition contains the time-honored translation by Elizabeth S. Haldane.

Book Information

Paperback: 198 pages

Publisher: Masterworks Classics (July 22, 2014)
