Medical Assisting Made Incredibly Easy: Pharmacology

Synopsis

Part of the new Medical Assisting Made Incredibly Easy series, this text presents the core basic concepts of pharmacology in a light-hearted, humorous, readable, extremely practical style that makes teaching and learning fun. A host character guides students through pharmacology concepts needed to pass certification exams required by CAAHEP and ABHES. Boxes with eye-catching icons provide practical advice about workplace scenarios and other topics. More than 175 full-color illustrations enhance visual learning. A Study Guide is available as an additional purchase. A free Instructor's Resource CD-ROM including PowerPoint slides, test bank and lecture notes is available from Lippincott Williams & Wilkins to instructors who adopt the text.
