Painless Grammar (Painless Series)

Synopsis

Combines instruction in sentence structure with examination of amusing expressions, and gives tips on email communication, editing a school paper, and more. Titles in Barron's™ extensive Painless Series cover a wide range of subjects, as they are taught at middle school and high school levels. Perfect for supporting Common Core Standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help. Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "Brain Tickler" problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble.

Customer Reviews

Painless Grammar (Painless Series) ...I purchased Painless Earth Science, History, Study Techniques, Grammar, Life Science, American Government, Spelling, Pre-Algebra, & Geometry for my daughter to help prepare her for high school. She hated me for weeks, but this series has tremendously helped her with her transition from middle school to an advanced magnet academy for high school. These books are one of the best educational tools I have ever purchased. By week 2 she was excited to show me what she had learned each day. We will fortunately be using these for my son when he is old enough to use them.

This book was recommended to my daughter by her freshman english professor at college, and we have ALL actually loved reading it! Makes grammar easily understood and is a fun read, too!

I will be using this with my eighth graders. I like this new edition very much.

It's a great book except, very poor use of examples to accurately and effectively explain a particular concepts of grammar. But I would certainly recommend it for a start to complement another grammar book

bought this book, recommended by the 7th grade language arts teacher in advanced level class. This is a very popular book in the "painless" series, and it is really as advertised.
