# Master Dentistry - Restorative Dentistry, Paediatric Dentistry And Orthodontics: Restorative Dentistry - Paediatric Dentistry And Orthodontics Volume 2

## Synopsis

A book in the Master Dentistry series, this superior review book combines core learning with self-assessment in an accessible, easy-to-use format. It offers an effective method for reviewing and studying the essential clinical knowledge dental students need to know for final exams. Concise text covers the core knowledge essential for final exams, presenting the key points and most important information in an ideal review format. Extensive self-testing questions enable students to review their knowledge, with short answer and essay questions that mimic the exam, as well as multiple-choice questions that are helpful in self-assessment. Focuses on key aspects of restorative dentistry, paediatric dentistry, orthodontics, sedation, law and ethics for a uniquely effective, targeted review of these areas.
