The Challenge Of Democracy: American Government In Global Politics (with MindTap™ Political Science, 1 Term (6 Months) Printed Access Card) (I Vote For MindTap)

Synopsis

This best-selling American government book is highly acclaimed for the non-ideological framework it uses to explore three themes: freedom, order, and equality as political values; the majoritarianism versus pluralism debate; and globalization's effect on American politics. Extensively updated, this edition includes new examples, figures, data, and current discussions.

I didn't bring my book with me on my way to LA and I would've had a test when I came back. let me try this one free for 7 days and all I needed were the last four chapters, it was extremely helpful but a couple pages didn't load when I downloaded it. It might be the hotel wifi or something though.

Locks up, and won't show content.

book in good condition.

Book was in good quality and worked great for my class. It had all of the information necessary for me to pass my class

This text book is quite engaging. I used it for a class and I read the whole thing.

Not the best textbook. It also had a lot of issues working on Kindle for MAC.

The book was just what the instructor required.. Thanks

Came as pictured and in excellent condition.
