Memories For My Grandchild: A Grandmother's Keepsake Journal
What child has not been captivated by stories of how her grandparents first met? Has not begged to hear the tales of his mother or father growing up and of himself as a baby that only grandmother knows? Designed to be an heirloom, gold-stamped, with beautiful blue cloth binding and tipped on plate, Memories for My Grandchild: A Grandmother’s Keepsake Journal is a guided memory-keeper for grandmothers to pass on to their grandchildren. Organized to make capturing and displaying grandmother’s stories easy and enjoyable, this charmingly illustrated keepsake journal has space for a family tree, anecdotes about the grandchild’s parents and grandmother’s own childhood, great family traditions and recipes, special moments between grandmother and grandchild, and much more. With places for photographs, memorabilia and many fill-in-the-blanks, so the writer is never at a loss for what to include. Memories for My Grandchild is a personalized heirloom that preserves important family history in general, and grandmother’s legacy in particular. Decorated throughout with lovely vintage art and ephemera, this special book contains all the precious memories that only a grandmother can share, and it is sure to be treasured by a family for generations to come. A perfect Mother’s Day gift, moms will buy this for their mothers, grandmothers will buy it for themselves, and grandchildren will be astonished when they receive it for graduations, 18th birthdays, and wedding days.

My husband and I learned we were pregnant just a few weeks ago, and I went searching for a pregnancy journal in our local bookstore. Instead, I walked away with this beautiful book I’d like to give to my mother. Blame it on the hormones, but I nearly cried reading the sweet quotes inside this
book. It is very evenly split between grandmother documenting her own life and milestones, and her new grandchild’s (particularly how she feels about her grandchild). This is NOT a baby book, but a lifetime of memories that grandmother can fill in about her life, her family, and the early years of her grandchild. Here's what I love about the book:*Beautifully illustrated with colourful vintage pictures*Sweet, thoughtful and even funny quotes inside*Not religious (so many baby books I looked through had Hanukkah pages, Christmas pages, Halloween and Easter pages) Instead, this book has a section titled "Holidays & special events we have shared together"*You don’t HAVE to fill in EVERY milestone (1st birthday, etc). Instead, the contents are worded, "Some of your birthdays", which is fantastic.*nice large size, with lots of space for writing*many many places to put photos! Cons:*there’s a tiny bit of bubbling on the paper part of the cover, but it’s hardly noticeable. This might need to be re-glued over the years though.*It’s possible there are actually too many places to put photos. I wonder if the spine is thick enough to accommodate all the places!
