Party Girl (The Girl's Series Book 1)
Landon Brinkley’s dreams are all coming true. She’s landed an internship with the fabulous Selah Smith, event planner for the Hollywood elite, taking her from small-town Texas to the bright lights of LA. Landon soon finds herself in a world in which spending a million dollars on an event—even a child’s birthday party—is de rigueur and the whims of celebrity clients are life-and-death matters. At first, the thrill of working on A-list parties and celebrity weddings is enough to get Landon through the seventy-five-hour workweeks and endless abuse at the hands of her mercurial boss. But when the reality of the business reveals itself, she’s forced to make a choice: do whatever it takes to get ahead, or stay true to herself.Drawing on the author’s real-life experiences as an event planner to the stars, Party Girl takes readers on an adventure among Hollywood’s most beautiful—and most outrageous—people, revealing the ugly side of Hollywood’s prettiest parties.Revised edition: This edition of Party Girl includes editorial revisions.

Customer Reviews

Twenty-something Texas-born-and-bred Landon Brinkley is ready to finally live her dream. While
growing up in a small town in Texas, she longed for nothing more than a career as a famous event planner. By working hard, she has managed to secure a position as an intern at her idol Selah Smith's event planning agency in Los Angeles, SSE. Even though it's an unpaid job, Landon can't wait to finally do what she was born to do. However, as soon as she sets foot in the office, she realises the LA world of event planning is ruthless and not at all what she had expected it to be. Yet, failure is not an option for Landon. She is finally given the chance to do what she wants to do, but all of a sudden she is forced to decide whether she is willing to give up absolutely everything for this dream or not.

True love; that's probably the two words I'd use to describe what I was feeling while reading "Party Girl." I honestly truly loved everything about it. From the first few pages it already became clear that the book has a wonderful heroine at its centre: Landon is easily loveable with her infectious enthusiasm and her determination to make her dreams come true. Yet, there is also a great mix of secondary characters from quirky Miko (Landon's colleague at work), tough Max (Landon's roommate), and the ultimate villain in the form of Selah Smith (Landon's new boss). The combination of this wonderful cast of characters, the amazing setting (I'm sure many of us readers wonder what it would be like working at an elite event planning company) and a truly entertaining storyline had me hooked from the very first page; I didn't want to put it down, but at the same time I never wanted it to end (unfortunately, it had to)!
