Synopsis

The seamless articulation of vocabulary, grammar, activities and cultural content is what makes ENTRE AMIS so effective in the classroom! ENTRE AMIS is a performance-oriented program designed to expand students' interpersonal, interpretive, and presentational communicative skills by presenting and rehearsing situations similar to those they will encounter in real life. Based on a progressive approach, ENTRE AMIS features thorough coverage of all four-language skills with a strong emphasis on oral communication. The language presented and practiced is always embedded in a French cultural context. The Sixth Edition of ENTRE AMIS has been thoroughly updated and now incorporates the latest technology offerings, including the iLrn Heinle Learning Center.

Came on time and was easy to return my rental as always. Great introduction to French, our professor literally taught us by using this book page-by-page. Great references in the back and good online resources from this company if your professor is willing to use them.

Great book. I used it for my french 1 class. I'm not sure if I'll be needing this in french 2 but we'll see. WARNING! This book does not come with an access code. You'd have to buy it separately. Found out the hard way. But either way. You will save renting this book and buying the access code!

This book serves its purpose, however it requires a code to use which it did not come with. I think the seller should state that.

I bought this ebook for my wife as she is doing a french course, and it is very helpful.But there's is one problem; the following pages are blank: 99-138, 259-278, 459-478, which renders it unusable....

The textbook was perfect and I received it without any damage. Alternatively, this book was priced well than at the college bookstore. I saved a lot of money online for this book.

It took a little longer than the regular two days for Prime members, but otherwise everything was fine.
