Mastering The American Accent

The book was found
This combination book and audio instructional program is designed to diminish the accents of men and women who speak English as their second language. It will help them speak standard American English with clarity, confidence, and accuracy. Specific exercises concentrate on vowel sounds, problematic consonants such as V, W, B, TH, and the American R, employ correct syllable stress, link words for smoother speech flow, use common word contractions such as won't instead of will not, and more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (for instance, they’re and there), recognizing words with silent letters (comb, receipt, and others), and avoiding embarrassing pronunciation mistakes, such as mixing up party and potty. Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues of 13 different language backgrounds. Correct lip and tongue positions for all sounds are discussed in detail. Enclosed with the book are four compact discs that use male and female voices to coach correct American-style pronunciation.

**Book Information**

Paperback: 192 pages  
Publisher: Barron’s Educational Series; Pap/Com edition (April 1, 2009)  
Language: English  
ISBN-10: 0764195824  
Product Dimensions: 0.8 x 7.8 x 10.5 inches  
Shipping Weight: 1.2 pounds (View shipping rates and policies)

**Customer Reviews**

Are you sometimes misunderstood by your American co-workers or customers - even though you have lived in the United States for years? Do you sometimes mispronounce words causing needless confusion and sometimes stress? Do you give professional presentations and want the native English speaking audience to clearly understand your words and ideas? Have you been looking for
an excellent self-study guide to improve your American English pronunciation? If so, you will find this exceptional pronunciation book and audio CDs quite helpful in "mastering the American accent."

Written by Lisa Mojsin, a Santa Monica professor and linguist who works with professionals to gain an American accent, this systematic book respects the time, intelligence, linguistic needs, and social desires of English language learners. Each self-contained chapter provides a practical lesson with clear instructions. The compelling CDs provide an effective tool to hear and practice the sounds. I also appreciate the number of inspiring quotes throughout the book that recognize the sophistication and culture of the book’s readers. Like Targeting Pronunciation Communicating Clearly in English (Book with 5 CDs), Mastering the American Accent with Audio CDssystematically reviews the most difficult sounds and easily confused words in English for ESL and EFL students and provides excellent audio CDS.
