# Recovered Legacies: Authority And Identity In Early Asian Amer Lit (Asian American History & Cultu)

## Synopsis

Recovered Legacies: Authority and Identity in Early Asian American Literature employs contemporary and traditional readings of representative works in prose, poetry, and drama to suggest new ways of understanding and appreciating the critically fertile but under-examined body of Asian American writing from the late 1800s to the early 1960s. The essays in this volume engage these works -- in different genres, from different periods, and by authors of different ethnicities -- with a strong awareness of historical context and a keen sensitivity to literary form. The resulting collection helps to recover the rich and diverse literary heritage of Asian America and argues persuasively for the significance of these works to the American literary canon.

## Book Information

Series: Asian American History & Cultu

Paperback: 320 pages

Publisher: Temple University Press (July 29, 2005)

Language: English

ISBN-10: 1592131190

ISBN-13: 978-1592131198

Product Dimensions: 6 x 0.8 x 9 inches

Shipping Weight: 15.5 ounces (View shipping rates and policies)
