# Hecho En Tejas: An Anthology Of Texas Mexican Literature (Southwestern Writers Collection)

## Synopsis

Once an independent nation, Texas has always been proud of its unique culture. The literature of the Lone Star State has long attracted local, regional, and national audiences and critics, yet the state's Mexican American voices have yet to receive the attention they deserve. *Hecho en Tejas* is a historic anthology that establishes the canon of Mexican American literature in Texas. With close to one hundred selections chosen, the book reaches back to the sixteenth-century exploration narrative of Texas's first Spanish-speaking writer, Alvar Nuñez Cabeza de Vaca. It features prose by Américo Paredes and Jovita Gonzalez, Rolando Hinojosa and Tomás Rivera, Estela Trambley Portillo, and Sandra Cisneros. Among the poets included in the anthology are Ricardo SÃnchez, Carmen Tafolla, Angela de Hoyos, and Abelardo "Lalo" Delgado. *Hecho en Tejas* also includes corridos from the turn of the century and verses sung by music legends such as Lydia Mendoza and Santiago Jimenez, Sr., Freddy Fender, and Selena. In addition to these established names, already known across the United States, *Hecho en Tejas* introduces such younger writers as Christine Granados, Erasmo Guerra, and Tonantzin Canestaro-Garcia, the famous Tejano authors of tomorrow. In assembling this canonic reader, Dagoberto Gilb has created more than an anthology. Read cover to cover, *Hecho en Tejas* becomes not only a literary showcase, but also a cultural and historical narrative both for those familiar with Texas Mexicans and for outsiders. *Hecho en Tejas* is a mosaic portrait of the community, the land and its history, its people's sorrows and joys, anger and humor and pride, what has been assimilated and what will not be.

## Customer Reviews

As a teacher always copying material, I have found Hecho en Tejas to be a godsend. It is now an essential part of my work library, but I also love it for itself. It has to be one of our most important Chicano publications recent or otherwise, a must have if you are a Tejano. A beautiful and invaluable book of short stories, essays, poetry, corridos, and songs that have implications beyond Texas.

This is NOT a traditional story; it is a curated collection of writings throughout the history of Texas. This is a must have for Chican@ Studies or Latin@ Studies people. Definitely worth the wait.

Groundbreaking and inspiring. Using Gilb's introduction in all my presentations on Hispanic...Tejano...heritage in TExas music.
